TOTAL	\$596,015,000	\$27,791,852	4.66%	

*** Nevada had obligated nearly all its transportation dollars and did not have enough funding remaining to cover the total amount of the rescission allocated to Nevada. All transportation programs subject to the rescission with any funds remaining were zeroed out (including SRTS), and the remainder of their rescission was then shared with other states.
